1. In today's story, James & Laura did not agree on how to follow the map on their quest. Does it seem like they have forgiven each other for things they did in the past? Do you think that it is affecting their relationship now and their ability to be patient with one another?
2. *Read Colossians 3:13.* We are to forgive others as the Lord has forgiven us - what does that mean? How did Jesus pay for our sins, and how does that help us to know how much we should forgive others? (*Hint: The Lord has forgiven us for all of our sins if we trust in Jesus! If we've been forgiven so much, how much should we forgive others?*)
3. Laura took out Amelia's Bible and read from 1 Corinthians 13:4-7. *Read that passage together now* - what are some characteristics of love? How can we display those in our relationships with our siblings, friends, family, etc.?
4. As we learn to love one another, how does that lead to peace and harmony? Do you think that loving one another helps us to have unity with each other? (Read Colossians 3:14)
5. Practicing the fruits of the Spirit isn't always easy! How has God promised to help us?
