

SWKIDS Service Questions

(06.28.20)

1. Where was the book of Philippians written? How does knowing that information help us understand and apply the book of Philippians better?
2. Why is it important to know the context of a verse or passage?
3. Try to read through the whole book of Philippians at least once this week! As you read, look for common words or phrases that appear throughout the book and write them down. Why do you think those words or phrases are important?
