1. How did Zechariah respond to God's message from Gabriel and what happened to him because of his response?
2. Just imagine...Zechariah couldn't talk for at least 9 months while Elizabeth was pregnant! How did Zechariah respond to God after his son John was born and he could speak again?
3. This is just one story out of many in the Bible when God kept His promise to His people even when it seemed impossible. Think of a promise God has made to us. Take a moment right now in prayer to thank God for one of His promises.
4. Read Isaiah 40:3, your MVP for the week. There was about 700 years between this prophecy about John and when he was actually born! God really *does* keep His promises! Take time to practice Isaiah 40:3 and treasure this verse in your heart. As you think of this verse, think of how the prophecies in the Old Testament were fulfilled in the New Testament and how God's keeps His promises to us!
