1. Why was there a drought in the land and how long did it last?
2. What was the “competition” between Elijah who worshiped God and the others who worshiped Baal? What did this competition show the other people?
3. What can we learn and apply from this story?
4. Take a moment now to practice your MVP for this week. It is Psalm 34:17 which says, “When the righteous cry for help, the Lord hears and delivers them out of all their troubles.” God helped and provided for Elijah. Through those times, God showed the people His power and that He is the only God who deserves our praise and worship.
