(3.21.21)

Habakkuk prayed to God because he did not understand what was happening. God answered Habakkuk, and Habakkuk learned to have faith and trust in God. Read Habakkuk 1:5.

1. Why do you think Habakkuk chose to praise God no matter what? *Habakkuk learned to trust God, who is in control of all things. Habakkuk had faith that God does what is for His glory and our good. We don't always understand God's ways, but we can trust Him to take care of us.* (Option: Read Philippians 4:11.)
2. Where do you turn for comfort? Why? *Think of a time when you faced difficult circumstances. What did you do? Remember, the Lord is with us and comforts us in our suffering. When we turn to Him, we can find peace and rest.* (Option: Read Matthew 11:28.)
3. What hope do we have when evil seems to be everywhere? *Even though evil may sometimes seem to win in the world, God is really in control. Like Habakkuk, we can have faith and trust in God. Sooner or later, God will punish the wicked, but it will be in His own time and in His own way.* (Option: Choose a volunteer to read Proverbs 20:22.)
